Seafood Exporter AUSTRALIA

Our Trading Co. is Australia's premier consolidated seafood exporter, operating out of Sydney, Australia. Specializing in live & fresh seafood, we export the best product from the east coast of Australia.

- Live Eastern Rock Lobster
- Live Blacklip Abalone
- Live Pacific Oysters
- Live Sydney Rock Oysters

Live lobster is received and placed into our holding tanks.

Lobster is chilled down to 4 degrees prior to exporting to ensure the lobster is as relaxed as possible.

Blacklip Abalone are received from commercial fishermen direct. Further processing includes removing meat from abalone.

IQF Blacklip Abalone & Blacklip Abalone Meat are blast frozen down to -18 degrees. Product is vacuum packed for exports.
